## PROMOTIONAL TOURNAMENT

For 510 Judo students only, you have the chance to jump belt levels based on your performance at the tournament.

- If you win three matches by ippon (instant win) against opponents who have a higher belt rank AND are heavier than you, you will be strongly considered for immediate promotion.
- If there is no one of a higher rank in your division, you can request matches to give you a chance at a jump promotion.
- It's not just whether you win, it's HOW you win as well. The successful judoka will have:
  - Excellent technique with three or more wins by ippon against opponents with higher rank
  - Good conduct, polite and sportsmanlike behavior before, during and after your matches.
  - Good presentation: uniform is clean and arranged properly
- You cannot go backwards in rank - no one will be demoted, even if you lose every match.
